

Candia Springs Adventure Park  
For immediate release

May 4, 2018

**Candia Springs Adventure Park opens for the season on Saturday May 5, 2018!** ALL NEW for this season is our Guided Zipline Tours. We are the only attraction in the region to offer such a thrilling experience for our guests. Ziplines, an Aerial Adventure Forest, Pinzgauer Off-roading, a Waterpark, and a Water Challenge Course all in one location! With so many adventures to choose from at Candia, there's something to thrill everyone!

Soar over the park on the all new Guided Zipline Tour. This tour features 6 separate ziplines spanning over 3000' feet of cable, reaching heights over four story's. Climb up into the canopy to the first platform where you'll begin the tour. Once in the platform, our guides will safely bring you through the course, all you have to do is sit back and enjoy the ride! The hardest part of ziplining is taking the first step, the rest is effortless.

Through Memorial Day Weekend Candia Springs will be open Saturday and Sunday from 10-4. For more information on hours, pricing, and full time operations visit [www.CandiaSprings.com](http://www.CandiaSprings.com).

"We're always striving to give our customers the best experience possible. That's why this year we've added Guided Zipline Tours to our realm of adventures. We feel that it offers our guests something new and exciting to participate in. Providing our guests with world class experiences right in there own backyard is what we strive to do every season."

-Steve Coppin, Director of Operations

Is your company, team, or group tired of all the same team building experiences and exercises? Here at Candia we have a unique atmosphere where the environment is completely changed. New bond's and friendships form due to the challenges and environment they're in, new standouts emerge and many will step out of their normal comfort zone to accomplish the tasks. For more information on group outings and team building experiences call Mick O'Gara at 603 745 8810 x208 or [mogara@nh-fun.com](mailto:mogara@nh-fun.com).

Candia Springs Adventure Park is excited to open for the 2018 season. With so much to do and the exciting new Guided Zipline Tours, we're sure families and friends of all ages will have a thrilling adventure with us. There's no better time than now to head to Candia Springs Adventure Park, because if you don't do it now, you'll be just a bit older when you do!
